The Howard Association, in view of the great destruction of human life, caused by Sexual diseases, and the deplorable consequences upon the unfortunate victims of such diseases by quicks, several years ago directed their Consulting Surgeon as a charitable act, worthy of their name, to open a Dispensary for the treatment of this class of diseases, in all their forms, and to give Medical advice gratis, to all who apply by letter, with a description of their condition, (age, occupation, habits of life, &c.) and in case of extreme poverty, to furnish medicines free of charge. It is needless to add that the Association commands the highest Medical skill of the age, and will furnish the most approved medical treatment.
The Directors, on a review of the past, feel assured that their labors in this sphere of benevolent activity, have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves, with renewed zeal, to this very important but much despised cause. Just published by the Association, a Report on Spermatorrhea, or Seminal Weakness, by the Consulting Surgeon, which will be sent by mail, (in a sealed letter envelope) free of charge, on receipt of two stamps for postage.

ALL PARTIES in want of a good EYELET MACHINE, are strongly recommended to use none but LIPMAN'S PATENT IMPROVED, which is decidedly the best ever brought before the public, possessing numerous advantages, viz. It is strong, durable, and not liable to get out of order. It punches the hole well, and to fit the Eyelet, and in one operation clinches the Eyelet on both sides. It saves time, as the papers, &c., need not be reversed, nor turned over to clinch the Eyelet a second time, as is the case with all other Machines.

It is useful to the Merchant in doing away with the necessity of the custom place to the number of Spring. This fact most forcibly impresses on the necessity of taking especial care of the noblest portion of the form divine. "Keep the head cool," says the Philosopher; and to achieve that object, call immediately and examine JOHN ARNOLD'S selection of STRAW GOODS, consisting of Panama, Maracaibo, Fedal, Gossamer, Havana, &c., &c. The goods are particularly selected to the late style of SILK HATS, which comprises every variety of texture and elegance. A FRENCH SLOUCH HAT is offered, which cannot be surpassed, and a sight of which is sure conviction. Ladies can be accommodated with every variety of FLAT.
